Sir,

Ref.C.No. 3046/37 A-7 dated 10-2-38.

Land Acquisition- Compensation- Bellary taluk- Kurugodu village Unenfranchised Devadayam inam- Beriz deduction- proposals- further report- submitted.

Ref:- Board's I.No. 287/38-1 dated 28-1-38.

The inamdar was not paid the compensation awarded for the kudivaram interest in the land acquired. When it was stated in this office Ref.C. 3046/37 A-7 dated 10-1-38 that the compensation was paid in cash it was meant that the compensation did not take the shape of the grant of other land in exchange contemplated in paras 2 and 4 of Chapter XXIV under part III of the Land Acquisition Manual. The inamdar is not competent to alienate the land and the compensation awarded for the Kudivaram interest has been deposited in court. A copy of the award proceedings relating to the case is enclosed.

15-2-38.

For Collector.

Extract of Award Proceeedings of the Land Acquisition Officer Bellary on his Award No. 15/37 dated 13-12-37.

S.No. 349 B stands in the name of " Viraktamatam" and is classed as " Devadayam inam dry". The inam is granted for the support of the Matam at Kurugodu. The Agent of the matam is one Kotturuswami who is a Sanyasi. No registration particulars are available for this land. The village officers and some respectable ryots of the village estimate its value between Rs 150 and Rs 200 per acre against Rs 200 demanded by the Agent. The Special Deputy Tahsildar who inspected the land has fixed its value at Rs 150 per acre as it is in the vicinity of S.No. 348 C/2 for which the same rate has been recommended by him. I accept his valuation. Compensation at Rs 150 per acre with 15 per cent solatium thereon will be awarded for the kudivaram interest in the land. As there is no land available to give in exchange of the land taken up for the road the compensation for the kudivaram interest will be paid in cash. One Siddamarigalu appeared on behalf of Kotturuswami and gave a stattement to the effect that in case no land is available to be given in lieu of the land taken up for the road, he is prepared to take the compensation to be awarded for the land. It is not known definitely whether the inam constitutes the land or the assessment or both. But as the inam was granted over 60 years agothe kudivaram interest in the land will be paid for in cash. As the Agent Kotturuswami is not competent to alienate the land, the compensation awarded for the kudivaram interest in the land will be deposited in the Civil Court with a reference under section 31(2) of the Land Acquisition Act. As regards the Malavaram interest in the land the grant of beriz deduction to Kotturuswami the agent of the matam will be proposed.

2. The compensation awarded for the Kadiwaram interest has been deposited in Court as the inamdar was not competent to alienate the land. The Collector recommends that the grant of benz deduction every year may be sanctioned, as there is no land at the disposal of Govt. for granting in exchange. This does not appear to be the correct procedure. When the compensation is deposited in Court the benz deduction can be granted only as a temporary measure until the amount is drawn out of by the Court. The grant of benz deduction may therefore be recommended as a temporary measure.
